

Creating Great Hotels Guests Love

Working in partnership, every step of the way

Working collaboratively with our development partners and owners is fundamental to our success. At every stage of the hotel life-cycle, CS offers support and systems to ensure the project progresses smoothly; from initial development through to on-going operations. Working together, we develop and operate Great Hotels guests love to drive guest satisfaction and brand preference. This maximizes owner return on investment and drives our hotels into market leading positions.

RIGHT PARTNERS.
RIGHT PLACES.
RIGHT PROPERTIES.
RIGHT NOW

CS HOSPITALITY

CS Hospitality is a long-experienced hotel management and consulting company operating properties throughout Greece & Cyprus. With a refreshing style of hotel operations, the company's scope is to establish and rebuild hotel profitability, solve hotel management system inefficiencies, re-engineer hotel staff policies and guest programs, and manage new developments from start to the first guest registration and beyond. For more information about the company visit, www.cs-hospitality.gr.

HOTEL MANAGEMENT

Hotel Operators

The operational excellence of our hotels comes down to talented people and the right tools. Our people bring our hotels to life CS tools support them in creating Great Hotels Guests Love.

Great people running your hotel

Every employee, from General Managers (GM) to the Housekeepers, is carefully selected to consistently deliver experiences that align with our brand. Our award-winning CS People ensure we retain these great team members by developing, involving and recognizing each and every one of them.

A solid support structure

The GM is the lynch pin of every one of our hotels. They are supported by performance analytics and best practice hotel operations initiatives that are driven by our corporate functional specialists. They are also supported through a network of highly experienced and knowledgeable Regional Operations Managers, to continuously improve the performance of their hotels.

Hotel Openings Team

There are of course many things that can go wrong when opening a new hotel. But pitfalls can be avoided, thanks to CS's Hotel Openings Team, which has opened more than 140 hotels worldwide. From pre-opening to monitoring faster ramp-up to stable performance, the team guides you every step of the way, ensuring that you open your hotel on time, on brand and on budget.

Managing the Opening Process

CS's Hotel Opening Manager (HOM) tool is used by our corporate and on-property hotel teams to track and communicate the progress of more than 2,000 tasks required to successfully open your hotel.

Hiring the Right Team

We select candidates with passion and ambition, and we support them with training and proper motivation. We provide on-going training for all employees, old and new.

HOTEL SALES & MARKETING

S&M - the base of your success

Our successful management combines scientific knowledge, talent heightened by professional “market awareness” that results in maximum profit from all sources and distribution channels.

We aim to increase the occupancy rates and the extension of the holding period, where there is seasonality, applying proven successful strategies including:

- Targeted sales plan
- Organization and development of sales team
- Professional Sales Service (B2B)
- Advanced Account Management
- Corporate Reputation Management
- Tour Operator Contracting

ELECTRONIC SALES – more revenues

E-commerce is the commercial revolution of the 21st century and we make sure that we are always at the forefront in terms of technical aspect as well as marketing. Our sales team works with leading professionals in the field of electronic commerce field, to ensure proper distribution of room reservations through electronic channels.

REVENUE MANAGEMENT

We promptly recognize trends and opportunities in the market. We continuously measure hotel rates in order to remain competitive. And because it is essential to maintain a competitive advantage for a long time, we continually seek new advantages through the development of reputation, service and quality, in order the revenue per available room (RevPAR) to be placed on the highest possible level.

HOTEL CONSULTANTS

Restaurants & Bars – F&B Consultants

Restaurants & Bars are an intrinsic part of the guest experience and a key revenue driver, especially in Greece & Cyprus, with the scene of a rich food and dining culture.

Design & Procurement

CS Design & Engineering are your local design and construction professionals with global experience through all stages of hotel and resort development and asset lifecycle. We partner with you to optimize your investment via our bespoke services inspiring and informing the delivery of best in class hotel design, relevant to the local market and our guests. Our experience reduces your risk throughout your hotel's lifecycle.

Spa Management

The experience of the Spa is one of the strongest memories of the guest, and adds value to the overall image of the Hotel

The transformation and decoration of the area - The selection of materials and consumables - The selection and training of the staff.

Preopening Support

CS provides all the training your staff need to deliver a great guest experience, whatever their role. Having opened over 140 hotels globally, we know exactly how to train each and every new hotel employee with the proper operating standards and systems, to deliver exceptional service to your guests, and maximize commercial performance.

H/R

CS's business is about people, not just beds. After all, it is our talented and passionate people who bring our hotels to life. To deliver true hospitality to our guests we must attract, retain and develop the very best talent in the industry. We provide recruiting techniques and ongoing training to support the operation of your hotel so that we stay at the top of the game.

MEETINGS & BANQUETS - Great Events of All Sizes

We have a reputation for delivering great events, ranging from large world-class conventions to smaller more personalized meetings and weddings. Our team members listen carefully to client needs and are expert at creating the right environment, food, service and entertainment to make an event special.

DEVELOPMENT & FRANCHISE OPPORTUNITIES

Hotel concept

We craft meaningful, fresh and original hotel concepts that speak to the hearts of your guests. CS Hospitality knows how to make a hotel stand out through a brand story that differentiates your property from the others. Your guests should feel and breathe your brand story through all aspects of your hotel and the concept should be reflected into every single department, from the food and beverage to the spa and wellness center and the activities offered. We have the knowledge and the creative ideas to offer a unique guest experience and our aim is to make your property a destination by itself.

Uncompromising expectations

For Hoteliers and owners CS Hospitality provides the perfect combination of Operation and Management offering all the tangible benefits of the partnership with the Global Giants Marriott International and Design Hotels, while giving to the Hotels unmatched flexibility and capability to maintain their unique personality using all the advantages of a global brand.

Official Approved Operators

F&B concept

The F&B department offers a powerful opportunity to grow revenue for your hotel. We develop successful unique F&B concepts which are relevant and consistent to the philosophy of your brand. From determining a name, to kitchen designs, menu engineering and developing collaborations with suppliers, our role is critical for the success of your project.
